## **Review of the ReCALC Summary**

Mark Dockser thought the report was on target and believe the report covered all the things that have been discussed and researched.

John O'Neill also liked the comprehensive report.

John Sasso – After seeing what the Architects presented during the with their plans, should ReCALC attempt to calculate how much square footage is required per the number of projected number members coming to the center.

John Sasso presented the presentation scheduled for the March 21, 2023 Select Board.

Participants provided feedback to ensure the messaging had an emphasis on the services for Seniors, with programs, facility space.

There was a bit confusion on the results of the percentage responders for a Senior Center vs. All Ages Community Center. John will make some adjustments to the wording.

Currently slated for 8:00pm to present to Select Board meeting.

Next ReCALC meeting Thursday April 13<sup>th</sup> for recap of Select Board meeting.

### **Adjournment:**

Ron Assini, John O'Neill, John Parsons, Nora Bucko, Mark Dockser,  
John Sasso, Michael Coltman.
